## PITCHER-MAKING CONTEST

*Clay Studio — Wednesday, March 5th, 5:00PM*

*START NOW! We want all students to enter: sculptors and potters, beginners and veterans, traditionalists as well as those with a warped sense of whimsy. Although the prizes are great, winning isn't everything. It is also an opportunity to stretch your imagination, focus on a project, join fellow sculptors and potters for an evening of fun, and of course, eat and drink.*
